

Kia ora Egmont Athletics Club whānau,

I'm reaching out because our club is at an exciting time — one where the work we put in now will shape the future of athletics in Taranaki for our tamariki, our senior athletes, and generations to come.

We're proud of what we've achieved together. Our facilities are excellent, our athletes are thriving, and the energy around the club continues to grow. Egmont Athletics is a club that supports athletes of all ages and abilities — from our youngest members taking their first steps in the sport to our masters' athletes who continue to inspire us with their passion and commitment.

Like many community sports clubs, Egmont Athletics relies entirely on volunteers. At the moment, much of the workload falls on a small group of dedicated people. To continue providing the opportunities and environment our athletes deserve, we need more parents and members to get involved.

We're asking parents to help out at club nights whenever they can. Whether it's:

- helping set up
- assisting with events
- timekeeping
- recording results
- packing away equipment
- helping with the barbecue

every helping hand makes a real difference. If everyone contributes a little, no one has to carry the load alone.

We're also looking for new committee members. Joining the committee is a chance to have a real say in the future of our club, bring fresh ideas, and help ensure Egmont Athletics continues to grow and thrive. You don't need previous committee experience — just a willingness to help and be part of a great team.

Athletics has a proud history in Taranaki, and together we can continue building a club that supports athletes of every age, creates lifelong friendships, and provides opportunities for everyone to enjoy the sport.

If you're interested in helping at club nights, joining the committee, or would simply like to know more, please don't hesitate to get in touch. Your contribution — big or small — will make a real difference.

Thank you for your continued support of Egmont Athletics.

Ngā mihi nui,

Egmont Athletics Committee
